

**Y5 Homework
Spring 1 2017
Stargazers**

	1 point	2 points	3 points	4 points	5points
Verbal I enjoy reading, writing and speaking	Read about Space.	Visit a library and get books to read about space.	Make a storyboard for a story set in outer space.	Write some facts about Space.	Write a short biography about a famous astronaut.
Mathematical I enjoy working with numbers and science	Make a time line showing when missions to the moon have taken place.	Draw a diagram showing the positions of the planets in relation to each other.	Draw a diagram showing the distance of each planet from the moon.	Create a graph to show distances of planets from the sun.	Make a chart representing dates of missions to the moon.
Visual I enjoy painting, drawing and visualising	Collect images of the moon and the planets. You might find these on the internet.	Draw a pencil sketch of the moon close up.	Keep a moon diary over a lunar month. Draw the shape of the moon each night, finding out and recording the correct term for each lunar phase.	Draw a picture of what an alien might look like. Label the various features required for breathing and eating.	Design and create your own astronaut space helmet or alien headwear.
Kinaesthetic I enjoy doing hands-on activities	Paint a stone imaginatively to create your own 'moon rock'.	Make a miniature space suit. Perhaps model it on a doll or action figure.	Make a model of an alien.	Make a model of one of the planets.	Make a 3-D model of the solar system.
Musical I enjoy listening to and making music	Put a times table to your favourite tune and record it.	Write and perform a rap to help remember the order of the planets in relation to their distance from the sun.	Draw a sketch of a musical instrument that might be used in outer space.	Create an 'alien dance'.	Practise a dance to space music and record yourself performing it.
Interpersonal I enjoy working with others	Write a quiz with ten questions about Space.	Create a timeline of key events and missions in space.	24 astronauts have visited the moon. Find out their names and facts about them.	Interview a person who knows about Space.	Visit a Space centre and write about your visit.
Intrapersonal I enjoy working by myself	Create a word search with words connected with Space.	Write an account pretending to be an astronaut.	Create a character profile of a famous astronaut.	Research about Space centres and space craft. Write about them.	Write a newspaper report about the first moon landing.

Choose a minimum of 7 activities over the next half term – your aim is to gather more than 25 points. You can do more than this though!

To be awarded the points your work **MUST** be of the highest quality.

Bring back to school your completed homework each week on Wednesdays for showing in the afternoon

and for our displays.

Deadline for 25 points: February half term holidays.
